

# All Around the Village

All around the village, All around the village  
All around the village, As we have done before

In and out the windows, In and out the windows,  
In and out the windows, As we have done before.

Stand and face your lover, Stand and face your lover,  
Stand and face your lover, As we have done before.

Off you go to Blackpool, Off you go to Blackpool,  
Off you go to Blackpool, As we have done before.
